LINDSAY SILVER

OBJECTIVE

To obtain a web developer position in a company where I can help create functional, beautiful, and accessible websites.

EXPERIENCE

Bearded Studio   Nov 2015 - Present
Web Developer | Pittsburgh, PA

- Worked with all sides of a web design team, including content strategists and user research experts, to develop responsive, extensible front-end code for local non-profits and businesses.
- Helped to plan 'Responsive Web Design Workflows for In-House Teams' workshop for ConvergeSE and Web Design Day conferences.
- Served as project lead on most recent client work, focusing on web accessibility guidelines.

Girl Develop It Pittsburgh   Oct 2015 - Present
Organizer | Pittsburgh, PA

- Organized monthly Code & Coffee to help foster community for women in tech and provide code help.
- Developed the materials for the Intermediate HTML / CSS curriculum (a 2 day class).

Digital Scholarship Fellows & Beyond Penn's Treaty Project   Aug 2015 - Nov 2015
Digital Scholarship Fellowship Coordinator, Web Developer | Haverford College Libraries

- Developed a curriculum for the Haverford Digital Scholarship Fellows Program to teach foundations of the web and web development.
- Also, built the Django platform for a project focusing on Quaker and Native American relations. Integrated the existing Omeka API with the Django site, and did extensive front-end work.

Scattergood Project   Jun 2015 - Aug 2015
Digital Scholarship Intern | Haverford College Libraries

- Created the entire website for the Scattergood Collection by identifying data from primary, 19th century materials which could be used in D3 visualizations, coding the database and back-end with Django, and making the front-end of the website with Foundation5.

Flyer's Boat Rental   Summers 2011 - 2014
Rental and Boat Shop Clerk, Launch Driver, Dock Staff | Provincetown, MA

- Was given increased responsibility annually. Worked 50-60 hours a week.
- Managed boat rental and repair shop businesses. Answered all phone calls and emails, made reservations, managed business cash, and did accounting for rental business. Also, instructed customers on the use of all rental boats.
